Vincent Goodstadt
Structure Plan Manager
Glasgow & The Clyde Valley Structure Plan Committee
10 Killermont Street
Glasgow
G2 3NW

21 December 2004

Dear Mr Goodstadt

Glasgow & The Clyde Valley Structure Plan – Discussion Document

Thank you for the opportunity to comment on the discussion document for the structure plan review. Network Rail has a vested interest in the policies contained within development plans and as such welcomes the inclusion on your list of consultees.

However at this early stage we have no specific comment, but would appreciate continued updates and further consultation as the plan progresses.

Yours sincerely

Jill Stephenson
Town Planner
