Part 3

Please explain here the full grounds on which your objection or representation is made. The clearer and more complete your statement, the less likely will be the need to ask for more information. (If there is insufficient space please use a continuation sheet.)

Notes

1. Please use this form for making objections or representations about a proposed modification to a structure plan. Its use is recommended by The Scottish Government Directorate for the Built Environment to enable objections and representations to be handled quickly and effectively.

PLEASE USE A SEPARATE FORM FOR EACH OBJECTION OR REPRESENTATION AND WRITE YOUR NAME AND ADDRESS ON EACH FORM

Further copies of the form are available from the planning authority and at all places where the Structure Plan has been put on deposit.

2. There is a period of 8 weeks for making objections and representations. The closing date is given in the advertisement about the Scottish Ministers' proposed modifications to the Plan.

Please return your completed form, before the closing date, to The Scottish Government Directorate for the Built Environment at the address shown overleaf.

3. Copies of objections and representations will be deposited in Saughton House Library in Edinburgh where they will be available for public inspection during normal office hours. A nominal levy will be charged for the copying of objections. They cannot be treated as confidential.
